Meet Channing Banks with Rock My ABC's Review/Giveaway

Happy Monday Michigan moms and visiting readers. I have a fun review/giveaway this week perfect for your toddler/preschooler and just in time for Christmas! Before I do the review, I am so excited to share this mompreneur with you, after all, this is the foundation of Michigan Home Mommy Works. So exciting! Meet:

Channing Banks

Channing Banks is an International dance artist born and raised in the U.S. She is the mother of two young children as well as a respected dance artist/singer overseas with charted hits and a school teacher for a decade.

"When my daughter was born, I looked around for some children's car music that would be educational for her yet nice to listen to and I didn't find all too much, Channing explains, "Then when my son was born, I set out to make a children's music CD for his first birthday present. I would put the kids to bed, hang out with my husband and when we went to bed too, I would start working. Nights

and nights I worked to get it done, but I finished it by his birthday and was so happy to give him his gift." Channing Banks

The CD just happened to be a gift that kept on giving with positive feedback from fellow parents. Rock My ABC's became available to the rest of the world today, December 3rd. Congrats Channing! In 2013, Channing plans to tour behind Rock My ABC's, with a full production.
